

# A Better Way to Control Healthcare Costs

## Discover a Comprehensive Captive Solution for Your Clients

Rising healthcare costs continue to impact employers across the country. Many of them are looking for an innovative solution to overcome those costs. The Leaf Health Captive combines specialty administration, medical rebates, clinical review, and alternative funding programs into one turnkey, captive solution.

### Why Join a Captive?

Unlike traditional insurance groups, adding a captive to your current self-funded plan allows your clients to partner with other like-minded companies to reduce their insurance premiums while gaining more control over their healthcare costs. Captives provide your clients with:

- ✓ Greater stability
- ✓ Enhanced claims management processes
- ✓ Increased predictability

### As you compare captive solutions, here are a few things to consider:
